Subject: R9 Area Command

Just want to let you guys know we have set up an R9 Area Command to support the Gold King and Typhoon Souder responses.

We expect you guys to handle operations (duh), and feed info back to us as necessary for support.

Kathi Moore will be our PSC that you can coordinate your activities.

We plan to have AC meetings daily at 11AM, so if necessary, provide her any info so you don't have to participate in our meetings. I suspect you will be doing your own IAP correct?

No heavy burden on your end, just info as needed to support your needs, but get in touch with her, and keep her in the email loop with messaging.

Thanks
